

Thine Alone Lord Jesus (words and music by Richard Blauvelt)

Thine alone is the glory
and the honor
and the majesty.
Thine alone Lord Jesus.
Thine alone is the kingdom
and the power
and the victory.
Thine alone Lord Jesus. (x2)

Lord alone You are worthy
of the praises that we bring.
The heavens and the earth proclaim
the glories of Your kingdom.
Lord alone You'll be worshiped
through out all eternity.
We'll bow before Your throne and declare
You are Lord and King.

Thine alone is the glory
and the honor
and the majesty.
Thine alone Lord Jesus.
Thine alone is the kingdom
and the power
and the victory.
Thine alone Lord Jesus.

Lord alone You are worthy
of the praises that we bring.
The heavens and the earth proclaim
the mighty name of Jesus.
Lord alone You'll be worshiped
through all eternity.
Each knee will bow and tongue confess that
You are Lord and King.

Thine alone is the glory
and the honor
and the majesty.
Thine alone Lord Jesus.
Thine alone is the kingdom
and the power
and the victory.
Thine alone Lord Jesus. (x2)
