

Who Is Like The Lord
words and music by Richard Blauvelt

Who is like the Lord
Mighty King of Glory
Infinite and Holy.
Worthy of our praise
Who is like this King
There is none beside Him
Who can teach or guide Him
Possessing all He sees
Who is like the Lord

Who is like the Lord
Just beyond all measure
All things for his pleasure
He made the earth and sea
Who is like this God
Who can stand before Him
Chastise or ignore Him
And doubt His Diety
Who is like the Lord

You are my son
today I've become your Father
And you will be
eternally my son
And of your throne
it will last through out the ages
Forever will be
Never to cease
Never to end

What of mortal man
You are mindful of him
Could it be You love him
Though he's gone astray?
Who is like this King
He calls them friends and brothers
Even though He suffered
That they might be free
Who is like this King

You are my son
today I've become your Father
And you will be
eternally my son
And of your throne
it will last through out the ages
Forever will be
Never to cease
Never to end (x2)

Who is like the Lord
Perfect Revelation
Holy Incarnation
God became a man
Who is like this King
Name above all others
Image of the Father
Let all creation sing
Who is like this King
