

Do You Believe  
Words and music by Richard Blauvelt

Do you believe in miracles?  
Do you believe in God?  
Do you believe the Holy One delivers His people from harm?  
They pass through deep waters, pass through the sea.  
Watch God destroying their enemy  
Foolish you say!  
Still I know it's true  
I'll trust and believe and expect to see miracles

Do you believe that Jesus Christ  
was hung on a cross and died?  
Do you believe He rose again  
and sits with His Father on High?  
Do you believe as scripture says  
That He conquered sin, He conquered death?  
Foolish you say!  
Still I know it's true  
I'll trust and believe and expect to see miracles

God of our Father's with us today  
unhindered, unfettered by time.  
Immortal, Invincible ever the same  
His precepts are true. just and wise.  
Delivering captives from guilt, sin and shame  
offering new life, be born again.  
Foolish you say!  
Still I know it's true  
I'll trust and believe and expect to see miracles

Do you believe in miracles?  
Do you believe in God?

Do you believe that Jesus Christ  
can change lives today and He  
still performs miracles!
